(Updated: April 2018)

STUDENTS MOBILITY

PRACTICES IN COMPANY

- Practices in Company/Internships from 3 weeks to 6 months
 - It is necessary B1 English level
 - It is possible to do an Internship in our school
- Once a week the student can attend lessons at school: we can provide a particular training program.

STAGE AT SCHOOL

OPTION A: 1 – 3 students. Our teaching method is very flexible: students from other countries can be integrated in a regular classroom to develop a training program according to a Learning Agreement. All teachers in Xabec are able to speak in English (Levels A2-C2).

- From 2 weeks to 3 months
- We can develop a “ProjectX”

OPTION B: a group of 8 – 15 students. We can develop a specific Training Program exclusive for them

- We need to agree with the dates, according to the availability of the workshops

TEACHERS / TRAINERS MOBILITY

STAGE AT SCHOOL

- Stage at school attending ordinary lessons, together with a Xabec teacher.

TECHNICAL VISIT

- We can program the content of the visit with the sending institution: to know the Educational VET Spanish National System, to visit the facilities of the school, to visit some companies where the students are doing practices.
