

ANNUAL MEETING INVITATION - 2018

December 14th, 2017

Dear colleagues,

I am pleased to invite you to the Annual InnMain Meeting that will take place in Istanbul on 23rd - 25th of April 2018, organized by Izmit Technical and Vocational High School.

As there is no security concern for Istanbul anymore, we will be able to have our meeting in a more comfortable and peaceful environment. With support and contributions of Governorship of Istanbul, Istanbul Provincial Directorate of National Education, Istanbul Aydın University and the Ministry of National Education General Directorate of Vocational Education, our meeting will be held peacefully and conveniently.

As it is already a tradition, two International Technical Department meetings will take place the day before, on Monday the 23rd: School Management and Project Management. All partners who want to attend those meetings will be very welcome. Later we will send added information to prepare the workshops.

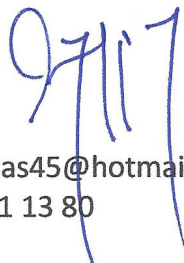

We have prepared also a wonderful visit to the city of Istanbul for the day before, Sunday, April 22nd. If you do not know the beautiful city of Istanbul, we advise you not to miss this opportunity.

I send you the draft of the Program. As we have witnessed at many meetings organized by the European Commission, the awareness of the InnMain network is increasing day by day. The first day will be focused in workshops to strengthen our network. We also will have the opportunity to share good examples of cooperation with the industry. During the second day we will have the opportunity to attend an event organized by the General Directorate of Vocational and Technical Education in Turkey, as well as will take place the Annual Meeting of the Government Board.

As always, your active participation is highly important. If you wish you can also invite representatives from educational authorities, companies or other educational institutions in your region.

We are excited to welcome you in beautiful Istanbul.

Mehmet AKTAŞ
Secretary General
