

# ANNUAL MEETING INVITATION - 2022

September 16<sup>th</sup>, 2022

Dear colleagues,

I am pleased to invite you to the **Annual InnMain Meeting** that will take place finally in Valencia – (Spain) on the 5<sup>th</sup> - 7<sup>th</sup> of October 2022, organized by Xabec Vocational Training Center.

The topic the organizers have chosen for this year is **“Re&UpSkilling”**. The pandemia has changed the laboral context and new skills and competences are demanded by companies. This is a challenge that can be seized by Vocational Training Centers to create innovative training solutions. It seems to be very exciting!

The event brings together relevant stakeholders from the Valencia Region to share good practices in *Re-* and *Up-skilling*. We are specially excited in sharing the *Up-skilling* program developed in the Stadler Locomotive Factory and the Virtual Reality modules for blended learning in industrial maintenance. I hope that both experiences can be inspiring to boost new projects between the partners. Please, if you are interested in sharing good practices let me know.

Recently, Antonio Mir announced that he leaves Xabec as a consequence of health problems. Antonio has confirmed the participation in the meeting and the organizers have prepared a tribute during the official dinner to recognize the great and inspiring work carried out during more than ten years.

We would like to make this meeting more open to other institutions: feel free to invite your friends and colleagues from the Public Administration, Companies, other educational institutions, etc.

According to the Rules of procedure we will have the elections for the post of the Presidency of the InnMain Association.

I am looking forward to see you all in Valencia.

Best regards,

Ignacio Ferrer Ballester  
Principal of Xabec Vocational Training Center
