Session 2

Looking at the future.

Proposals from de partners. InnMain Strategic Plan.

Wim Appels led the session by presenting an analysis of InnMain's strengths, weaknesses, opportunities and threats (SWOT)

- + points: Confidence, network, contact,...
- – points: Lack of communication, Not enough mobilities, Not enough work between the meetings, Technical departments must be better, We don't know each other, Individual...
- Chances: To involve COMPANIES, International courses for teachers and students, NEW PARTNERS because many leave but new members do not enter, Well Known name of InnMain, Policies by governments after the pandemic in favor of vocational training that we must take advantage of.
- Treathering: Dependance of individuals, leaving more schools
- Catalog of courses Proposal (Executive Board)
- Regular meetings between members (1 Managers / 2 Technical department)
- Secretary InnMain
- What impact? Students (goals, technology)
- Professional excellence days (+10 days, students and skills challenges)
- Martin Kubis proposed a work calendar, where depending on the KA1 and KA2 timeline, be able to plan the annual meetings, Project development Meeting, Excellence days + competition of students...
