Annual Assembly pointing at digitalization and technicians reskilling

Photo of the group of participants in the Assembly

Mr. Gregorio Blanco presented the virtual reality Project that is being worked on with other Innmain partners such as Valdorio and iBW, that improves the resources for online lessons and also is a good tool to prepare mobilities.

A student from XABEC made a brief exhibition disassembling a bogie and after this, Wim was so brave and had his first experience with this devices.

Visiting XABEC

A session that we all look forward to is the visit to the workshops of the host school. We made two groups led by each of the vice-directors, and we were able to see the XABEC students completing practical learning.

Those who had already been to XABEC highlighted the changes in recent years, and those who visited us for the first time asked the teachers and students with interest

Our Annual Meeting reception started in an unbeatable location: the facilities of ZEUS, a digital company in La Marina of Valencia.

Mr. Ignacio Ferrer gave a warm welcome to the participants and explained the planned working day.

Looking at the Future.—Innmain Annual Meeting

Mr. Wim Apples led the session presenting a SWOT Analysis, highlighting the confidence between partners, and putting the focus in the future, trying to involve new partners, companies and develop some activities together as a network.

We discuss about the nexts Professional Excellence Days and how to make them more attractive

for the students

Some partners join us online during this session. During the Assembly, Mr Antonio Esteves explain the elections process and

XABEC was selected for the presidence of the network for the next three years.

The participation in the advisory Council of Mr.

**“Involving
companies”**

On Friday we went to STADLER Factory accompanied by the Employment Regional Secretary to have a workshop about good practices in the rail sector.

Closing Ceremony

The Executive Board of Innmain granted the appointment of HONORARY PRESIDENT to Mr Antonio Mir Montes, in recognition of the outstanding work carried out as a first president of the association.

They presented the company and the relation with schools and administration, and Mr. Antonio Mir describe what means start a training center in Spain and the benefits for the company.

We have time for a visit around the facilities, and some teacher presented the Training Center
