- |                       |                 |
|-----------------------|-----------------|
| 1. SAVO               | Kuopio. Finland |
| 2. XABEC              | Valencia. Spain |
| 3. LYCÉE ISAAC NEWTON | Clichy. France  |

#### Department Organization: experiences to take into account for the next meeting

##### 1. TOPICS:

- Teaching methodology for welding and mechanics subjects. Share experiences.
- Possibility of exchanging students by means of a "PROJECTX". Home institution can develop a PROJECTX which can fit the Sending institution according their necessities and obviously, taking into account facilities, dates and places.
- Possibility of send a group of students with their teacher in order to make a PROJECTX.
- A PROJECTX can help the sending institution to learn of others how to do something, how to teach a specific area, how to overcome different drawbacks.

##### 2. DATES AND PLACES FOR THE MEETING:

Participation of other members. We need to increase the level of participation between the InnMain members. Merchandising.

##### 3. FREQUENCY:

Dates and possible places for next meetings → 1 meeting per year in spring.

##### 4. VALUE OF THE MEETING:

It's worth attending this kind of meeting to exchange knowledge, experience, ideas, and impact measures.

#### For InnMain Strategy

- We need a solid structure in order to consolidate the Mechanical Department.

2. To Fix a Calendar of meetings. Dates and Places. We think that is really important to establish a calendar of meetings in order to organize future activities of the Department. Amount of grants.
3. To evaluate the dates and the places of the meetings. We believe that it could be a good option, to know all the participants schools. However, we have to take care with places and dates in order to let people to attend, taking into account their own schedule. Amount of grants for nobilities.
4. Next meeting preparation. In order to prepare next meeting, every institution should share their own experiences, issues, problems and challenges, so that other countries can prepare and send their opinions in advance.
