

THIS IS MY OFFER

Name of the Institution:	XABEC
Name of the person who makes the offer:	ANTONIO MIR
Post of the person:	PRINCIPAL
Offer:	STUDENTS MOBILITY
PRACTICES IN COMPANY	
<ul style="list-style-type: none"> • We can search a company that suits to the expectations of the student • It is necessary that the student can communicate in English (normally B1 level is enough) • Normally the companies accept stages or 3 weeks and more, but also we can find companies which accept 2 weeks (it is more difficult, and the companies are not so good) 	
<u>STAGE AT SCHOOL</u>	
<p>According to the way that we teach in Xabec, we are very flexible and students from other countries can be integrated in a classroom at the same academic level he is at present time in the origin school. All Xabec's teachers are able to speak in English (Levels A2-C2).</p>	
OPTION A:	
<p>The foreign student can be in a regular classroom for a period of time (from 2 weeks to 9 months). He is integrated in the ordinary way of learning with their Spanish mates.</p>	
OPTION B:	
<p>The sending school define a specific task or practical exercise for the student to do (we call "Module" or "ProjectX"). See http://projectxone2one.eu/. The duration of the mobility will depend of the complexity of the ProjectX, or the number of ProjectX the student is going to do.</p>	
TEACHERS MOBILITY	
<u>STAGE AT SCHOOL</u>	
<p>A) In ordinary lessons, together with a Xabec teacher, helping him, cooperating with him...</p> <p>B) Being a "normal teacher", together with the Xabec teacher, but being the official one, controlling or teaching a ProjectX. This mobility can be combined with other mobility of the Spanish teacher going to the sending institution.</p>	
<u>TECHNICAL VISIT</u>	
<p>We can program the content of the visit with the sending institution. It is advisable that the duration of the mobility do not last more than 5 days.</p> <ul style="list-style-type: none"> • To know the Educational VET Spanish National System • To visit the facilities of the school • To visit some companies where the students are doing practices • To visit some companies of the technical area of knowledge
